MESÉK
Barnabásnak
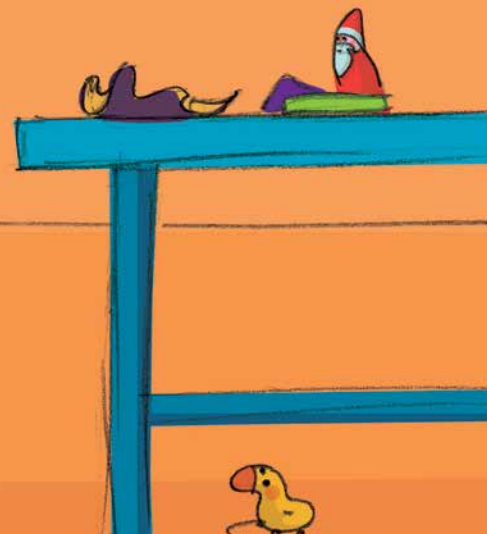

'I'm dreadfully
hungry!'
Toby sighs.

What shall I eat?

Maybe a great big chocolate bar?

Last time that made my tummy hurt...

Should I gobble up
a bunch of cookies?

Last time I was
still hungry afterwards...

I know!
I'll have some yoghurt
and cereal.

Oh, drat!
I finished those
at breakfast.

It seems there's still some tasty cake leftover...

That's fine for dessert, but I'm hungry right now...

But my, what is that scrumptious smell?

It's coming from the kitchen!

Yummm...
smells like soup.

With meatballs,
my favorite!

Lunch is ready!

Bon appetite, Toby!
