ORCHARD GLOBAL AGENCY (OLA) was founded in 2021 by the owners of Pagony, that began life as a children's bookshop back in 2001 and was the first of its kind in Budapest, Hungary. The Pagony name – not only as the leading children's bookshop but as one of the most prominent children's publishers in the country – has become a key element of any conversation about contemporary children's literature in Hungary. Pagony publications won numerous times the Hungarian Ibbý Award, also competing for the International prize.

OLA represents both established award-winning and best-selling authors and illustrators as well as some of the most exciting and diverse new writing and illustrator talents from Hungary, Austria and Israel. We offer the complete range for the young reader from picture books to young adult titles, all age groups, unique and fun, loveable titles fulfilling the expectations of our sometimes complicated age. Our titles are performing well on the market, honoured with prizes, open minded and fresh... with that little touch of magic as our secret ingredient.

Sock on the Loose

Author: Julianna Mrena
Illustrator: Dorottya Szert-Szabó

story book | Age 3+

32 pages | 162x200 mm | Hard cover

[Sample translation available on request](#)

There was once a sock. There was no other half. And there were a lot of problems with it anyway. Worn only occasionally, but mostly never. And it's no wonder, really.

Julianna Mrena, the author of *The Tale of the Little Sloth Who Wouldn't Go to Sleep*, has this time put into rhyme the adventures of a lovable half pair of socks to show that there is a place in the world for everyone, where they are recognised and accepted for who they are. Dorottya Szert-Szabó's colourful, clownish pictures are a worthy companion to the text of the tale.

The Tale of the Little Sloth Who Wouldn't Go to Sleep

Author: Julianna Mrena
Illustrator: Dorottya Szert-Szabó

story book | Age 3+

32 pages | 162x200 mm | Hard cover

[German and English translation available on request](#)

In Julianna Mrena's poetic tale, we follow a family of sloths through an afternoon full of twists and turns. Dorottya Szert-Szabó's lively illustrations guarantee that we feel like we are truly at the heart of the jungle.

It's quite a story, the little sloth, who has been an absolute model of slothfulness up to now, suddenly doesn't want to sleep! Nothing helps, neither rocking nor bedtime stories. Whatever will become of this child? But wait! Who's that peeping through the branches... well if it isn't the monkey next door!

Lily and Dandelion series

Author & Illustrator: Pánka Pásztohy

story book | Age 2+ 

24/40 pages | 162x200 mm | Hard cover

[The first title is available in English](#)

2023

Winner of the Golden Book Medal 2017

This heart-warming lyrical tale from Pánka Pásztohy is about friendship and dog adoption. Lily takes the same route to school every morning: past the big chestnut tree, the little puddle and the house with the green fence. On the other side of the fence lives a small dog. They meet up every day, and the little spotty dog eats whatever is left of Lily's sandwiches. Soon they become friends, and Lily names the dog 'Dandelion'. But one day Dandelion has disappeared! Lily is inconsolable. She discovers that her friend has been taken to the dog shelter. Can she help Dandelion? In the other episodes in the series, they have a number of adventures, such as going to a science class, finding their neighbour's cat and tracking down a hedgehog in the garden.

2023

I don't know about you, but my head can be a bit of a come and go at times! There are strange characters pushing and shoving each other around inside, like passers-by on a busy city street on a weekday afternoon. Occasionally, one of them will wander off while I'm scribbling on a piece of paper - say, when I'm on the phone, thinking, staring, or something that should be boring me a bit. Except, as you know, the scribbles usually end up in the wastepaper basket, or better still, in the bottom of a drawer. I felt like that needed to change! Hence this book, where I let the figures in my head and on the paper scribbles swarm - free to do as they please! And you can look at them and even make up their stories. Because they all have a story, I'm sure!

Best Children's Book of the Year 2020

These hilarious weirdos are firm favourites with preschool kids (and their parents). They're not grubs, and they're not pickles. They're not beans, and they're not pebbles. They're Grickles! The Grickles make readers forget the stresses and strains of daily life. In these easy-to-follow, non-violent and conflict-free stories, the seven Grickles solve all sorts of problems together: finding food, caring for a friend who is ill, organising a birthday party, making a carnival costume, becoming invisible, finding a truth-telling stool... These unique, hilarious and universally relatable stories set in their wonderful, safe world have a calming effect on over-stimulated young children.

novel | Age 8+ 

128 pages | 165×210 mm | Soft cover

[Sample translation of the first title available in English](#)

Sage is growing up fast. She can barely remember what it was like to wander in the world of fairy tales! But one day she falls very ill and goes to hospital... She's afraid of her illness, and she's afraid of her parents' sorrow. Then her old friends from Aevus, the realm of fantasy, appear in her hospital room: Lightfairy the fairy, Efirfira the unicorn and Prince Aldo. Sage must find the flower of healing to make everything right! They set off together in search of the bloom, and the friends faithfully accompany one another for a while, but this journey to the deep valley is one that each of them must undertake alone...

This beautiful story from Ágnes Judit Kiss is a magical tale of strength and hope, a modern rewriting of ancient symbols that reaches into the depths of the human soul.

Do Color Outside the Lines! - The Splodge Book

Author & Illustrator: Ágós Irisz

activity book | Age 3+

56 pages | 210x270 mm | Hard cover

This book is about the most important and most indispensable element of creation, the creative impulse, and how to preserve this impulse, letting go of all the blocking and inhibiting phrases that hinder free experimentation in the children's drawing and painting.

In the book you will find so-called "free-flowing pages" for free play and experiment with single paint splatters or as a big coherent picture, and pairs of pages where the reader can create their own little creatures in a jungle, a sea or even in urban traffic.

And the reward for those brave enough to draw the pages will be a special and unique volume, the only one of its kind in the world.

The internationally acclaimed illustrator teaches us that the most important part of drawing is not perfection, it's **FUN!**

It all began with daily Facebook posts during the first covid lockdown, but those posts went viral, and the drawings became a hugely popular phenomenon. The titles of the Let's Draw a Potato series soon became bestsellers, sold in many thousands of copies. Their secret lies in ditching the anxiety and tension around "not being artistic" by showing that every line and shape is just perfect as it is. All four books are based on the same simple principle: everyone can draw - all you need is a potato!

2023

It is well worth talking to your children about emotions as soon as possible. They can sometimes be stressful (even joy!) and at other times they can be difficult to say what they are, they are so complicated. Even understanding what the four most basic emotions are about can sometimes be a challenge for our pre-schoolers and schoolchildren. Yet becoming aware of our emotions is a prerequisite for being able to handle them – and also for being able to empathise with others. Don't be afraid of negative emotions, live them to the full!

The story and its protagonist, Elvira, use weather analogies to help us to do this as they explain to Flake and Tuft how to recognise emotions.

Harmony, the Realm of Music

Author: Ferenc Tarr
Illustrator: András B. Baranyai

narrative non-fiction | Age 7+ 

128 pages | 183×235 mm | Hard cover
[Sample translation available in English](#)

Princess Melody leaves home in search of her own tune, discovering every inch of Harmony – the realm of music – on the way. This book fills a gaping hole in children's literature. Unlike other educational tales, Melody's journey is an introduction to music in general through four equally important elements: folk, impro, pop and classical music. These are all explained without complicated terms and definitions through this joyful and entertaining story.
